

Name _____

SORT 33 Final Unaccented Syllables (er/ar/or)

Sort your words according to the headings given – using the key words as examples. Alphabetize each column when you write them down – do not rewrite the guide words

-er	-or	-ar
Spider	Color	Collar

Generalizing the pattern:

All of the words in this list have a final syllable that is not accented. Look up one of the words in a dictionary and write down how the word is represented to show that that a syllable is accented or unaccented.

Can you find two words in the list that are adjectives not nouns?

Complete the word find below as part of your activity this week. Words can be found diagonally, forward, and backward.
